Anonymous Reporting of Bullying or Retaliation

Students, parents or others may make oral or written reports of bullying or retaliation. Reports made by students, parents or others who are not District staff members may be made anonymously. The District has made an anonymous reporting form available at each school and on the website.

Per the Department of Elementary and Secondary Education guidelines, no disciplinary consequences may be administered resulting from an anonymous report to a school administrator.

The anonymous report form should be forwarded to the appropriate school’s main office. The anonymous form may also be sent electronically to the appropriate school’s Assistant Principal.
