- The computing device, case and adapter are on loan, remain the property of the DPS and will be returned if the student withdraws or when the district collects the devices.
- Both the student and parent/guardian agree to adhere to the terms and conditions of this computing device agreement for the 2021 - 2022 School Year.

For all technology use, the student will adhere to the terms and conditions of the DPS Empowered Digital Use Policy.

- The student must comply with all applicable software license agreements.
- Computing devices and peripherals must be returned to the main office of the school the child attends at the time of transfer, withdrawal or graduation.
- Computing devices and peripherals will be returned in good condition with reasonable wear and tear.
- DPS may charge a late fee, take disciplinary measures and/or file a stolen property police report if the computing device and peripherals are not returned on or before the return date.
- The care and maintenance of the computing device and related peripherals are the responsibility of the student and parent/guardian while in their care.
- Parents/guardians are responsible for any damage to the computing device if the student's device has not been enrolled in the district's voluntary computing device protection plan.
