

SCHOOL COMMITTEE POWERS AND DUTIES

The School Committee has all the powers conferred upon it by state law and must perform those duties mandated by the state. These include the responsibility and the right to determine policies, adopt a budget and employ a superintendent to implement those policies and budget for the proper education of the children of the community.

The Committee takes a broad view of its functions. It sees them as:

1. **Legislative or policy making.** The Committee is responsible for the development of policy as guides for administrative action and for employing a superintendent who will implement its policies.
2. **Appraisal.** The Committee is responsible for evaluating the effectiveness of its policies and their implementation.
3. **Planning of financial needs.** The Committee is responsible for adoption of a budget that will enable the school system to carry out the Committee's policies.
4. **Public Relations.** The Committee is responsible for providing adequate and direct means for keeping the local citizenry informed about the schools and for keeping itself and the school staff informed about the needs and wishes of the public.
5. **Educational planning and evaluation.** The Committee is responsible for establishing educational goals that will guide the Committee and the staff in working together for the continuing improvement of the educational program.
