The Chandler PTA is fully committed to supporting our teachers in enriching our children’s academic experience. Toward that end, we would like to support your work in the classroom by offering each Chandler teacher a \$100 stipend. This money can be used in any way you see fit to enhance the learning experience in your classroom.

Please complete this form and place it in the PTA box in the main office to the attention of **Kristin Montville, Treasurer**. We will process stipend requests as quickly as possible and place them in your teacher mailbox.
