Community member: TBD

Faculty: Aggie Coleman, Karen Irvine, Mary Ellen Shalhoub,

Students: Bernadette Farmer

Ex-Officio non-voting: Jim Donovan, DHS Principal

Absent: Cara Clelland, Theresa Raftery, James Donohue, Community member

1. Call to order: 5:03pm: CSCI Webinar (70 minutes) with Amanda of the National School Climate Center(NSCC), who reviewed results of the March 2017 CSCI survey to help us understand how to use the data most efficiently and how to benchmark intended interventions
2. **Approval of minutes:** 9-20-17 minutes **to be approved October mtg.**
3. **Public Comment:** no community members present for comment
4. **New business:**
 - a. Norms & Role for Committee to remain the same
 - b. CSCI results: to be discussed (today CSCI report was analyzed)
 - c. Best support for community organizations: Jim has met with almost all boosters' groups. Groups who want to introduce programming to students: how to choose which programs are most appropriate? Should they be curriculum driven? Any programs in the evenings will be encompassed but school day programming needs criteria upon which to make decisions. Questions such as "What is appropriate for students to participate in during school hours? What is better outside of school with parent support/supervision?"
 - d. Budget Proposal for FY19: Jim will be bringing budgetary "issues" to council
5. **Principal's Report:**
 - a. Co-curricular update: Duxbury has much higher fees than any surrounding area schools. Is teacher compensation higher? Jim will investigate.
 - b. Prof Dev Plan for the Year: presentation to be rescheduled
6. **FTGOTO:** to be rescheduled

Other: Kristin R will present Open Meeting Law training information & general School Council meeting info at next meeting

7. Meeting adjourned at 6:48pm, Aggie 1st, Coleen 2nd
